

# FALL FESTIVAL 2021

## October 29, 2021

Attention Families:

It is that time of year again for our PSOLI Fall Festival! After taking a break last year with all the uncertainty, we are determined to have a great festival this year! The Middle School at Progressive LI makes a fun, carnival style event for the Elementary School while raising money for charity. We hope to continue our charitable spirit with an organization chosen by the students.

**Food and Games:** This year, we have some of our old favorites along with new games and foods. There will be a variety of fun, autumn themed games and prizes. We also have a special emphasis on vegetarian and vegan options this year, so bring your appetite!!

**How It Works:** The festival works like a carnival, students will be able to play games for tickets and then redeem tickets at the prize station before their session is over. Each group generally spends an hour at the festival. Before the students can play, they bring their money to our admission station, where they are given a debit card with the amount they want to spend at the festival. They are then given their card with name and amount on it, where they can use the card at all the game stations and food table. **Due to time constraints, we're unable to give refunds so please only send your child with what you'd like to donate to the cause.**

Thank you all very much for your cooperation, and we're looking forward to a great Fall Festival thanks to your support!
