about clubs ...

I understand that I must pick up my child at 4:15 on the dates on the front of this notice, and that s/he will not be put on the bus.

I will call or write if my child is to miss a session, and not expect the school to accept a message delivered verbally by my child.

If I do not arrive by 4:30, my child will be placed in Progressive's after care program, and I will be billed \$15 for the evening session.
